Items with No Bids

This year we are pleased to premiere BidPal, an interactive wireless automated silent auction bidding process. With BidPal, you can bid anytime, from anywhere at the event. You can bid on items, watch items, and be instantaneously alerted when you have been outbid. At the end of the auction, you know exactly what you have won. No more running back and forth to the bidding tables.

How Do I Bid On An Item?

You can bid from anywhere, any time! Find the item you are interested in by pressing one of four **BLUE** buttons above. Find the item and press 'Submit Bid'.

Where Are The Items I Bid On?

The items you bid on are listed on **View My Items**.

The icons mean...

You are the High Bidder

You have been Outbid!

How Do I Make A Donation?

Don't forget to press the **GREEN** button to contribute to the Make A Donation program.

Can BidPal Automatically Bid For Me?

Once you have submitted a bid, you will be prompted to enter a **Max Bid**. Upon doing so, BidPal will automatically bid on your behalf, by increment, whenever you are outbid, up to your Max Bid amount. **NOTE: Only the current high bidder can enter a Max Bid.**

Was I Outbid?

If you see a flashing **OUTBID** message, tap it or press **View My Items** to see what you were outbid on!
